Leopards Hill Polocrosse Club will be relocating to Kyindu Ranch next year and are currently raising funds for the new fields and building . At the prize giving presentation Celtel's Managing Director David Venn surprised everyone when he announced that Celtel would donate the sum of \$10,000 towards our new club. Leopards Hill is overwhelmed!

There are 6 Zambian running polocrosse Clubs and not 5 as previously stated. Apologies.

The Zambia Polocrosse Association list has grown considerably. We now have 128 registered players. 18 new members in the last month! An observation was sent through by Nick Beckett, ex ZPCA Chairman —

I note that 57 players have had a handicap change this season. this represents 44% of all players and 50% of players who have played at a handicap- ping tournament. I think that this is a great achievement on all players

Only fools and horses?

This has to go to two people who fell off their umpire horses at the Celtel tournament! Malcom Smith and Connor Walisko! Mr. Smith has made it such a habit of falling off his horse that we are beginning to think someone is paying him for the entertainment! It's that bad that two little kids were overheard in the playground : One said "Let's play horses!" and the other said "Ok. But only if you can be the horse and I can be Malcom so that I can fall off!"
